

Save The Date - Sculling Clinics - July 16-17

SCRC has scheduled two one-day sculling clinics for July 16th and 17th. That weekend falls between the Carnegie Lake Regatta and Diamond States Regatta.

We are planning for the first day having fewer participants and geared toward for less experienced (novice) rowers that are cleared by the club to row on their own. The second for experienced rowers. Sessions will run from 8 AM to 1 PM, with a one hour break and food at 10:00 AM. In the past, some people have signed up for both days; the ability to do so this year will depend on the number of participants.

The clinics will be conducted by Steve Wagner. Steve has been the head coach at Rutgers for the past 36 years and, for 25 years, was the director of the Craftsbury Rowing Center in Vermont. He is an EXCELLENT sculling coach.

We will be sending out a formal flyer once we iron out specifics and pricing. Depending on interest, the price will be \$100 or less. Meanwhile, those people that are interested should send an email to Mark Craig (macraig@erols.com) indicating their intention to participate with their preferred date.

More details to follow as well as a link to register on Regatta Central. It will be first come, first serve.
